

# HIPPO

## Vacuum Packing Robot "HIPPO/AS-V-320"

Powerful vacuuming performance and power-saving of Eco-design and people will enjoy using the unit because of its design and flexible functions.

One touch fully automatic operation

Powerful vacuuming force

Can vacuum and seal even highly moist contents

Power saving Eco-design

Can be cleaned easily with its detachable nozzle

Supports a variety of bags

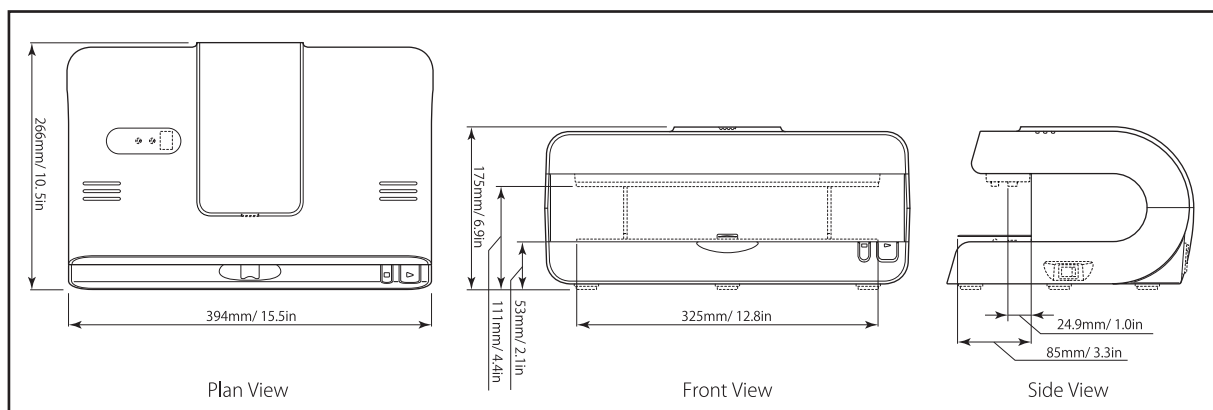

# HIPPO

HIPPO can be used not only in factories but also for over the counter sales with its sophisticated design.  
Packs neatly regardless of the pouch material or the contents.

## [ Dimensions ]

## [ Specifications ]

Product name	: HIPPO
Model	: AS-V-320
Pump efficiency	: -80 Kpa
Vacuumping speed	: 7 ℓ / min
Vacuumping method	: Nozzle
Weight	: 4.35 kg / 9.6 lbs
Voltage	: 100~240 V 50 / 60 Hz

Seal width	: 5 mm / 0.19 in
Seal length	: 300 mm / 11.8 in
Sealing time	: 1~9 sec
Vacuumping time	: Max. 60 sec
Power consumption	: 200 W
Supported bags	: Width: 300 mm, Thickness:~0.18 mm ( 7mil ) , flat bag
Dimensions	: W 394 × D 266 × H 175.3 mm W 15.5 × D 10.5 × H 6.9 in
